Aldersbrook Primary School Statement of Aims (Revised 25th February 2006)

Aldersbrook Primary School has the following aims, developed by staff and governors in consultation during a working day at Mulberry House, Ongar :

A. A school which is:

- Safe and secure
- Healthy
- Welcoming, inclusive and supportive
- Involved in the community
- Providing inspiring and challenging learning experiences
- Expecting, achieving and celebrating the success of all its members

B. Children who are:

- Contributing to the community
- Builders of positive and healthy relationships
- Active and healthy in mind and body
- Happy and enjoying learning
- Lively and inquisitive
- Achieving their full potential
- Confident and able to meet challenges positively
- Full of hopes and aspirations
- Independent learners, able to co-operate and contribute to groups and teams
- Respectful of themselves and others, and understanding of their cultures and religious and moral values
- Able to reflect and to express awe and wonder, feelings and ideas
- Taking responsibility for themselves and their actions
- Exemplars of what is best in the community

C. Staff who are:

- Lifelong learners
- Committed to the achievement of the school aims through teamwork
- Reflective in their practice and ready to change
- Leaders in the building of positive relationships
- Modelling the outcomes expected in the children
- Fulfilled in their work

The aims for the children may be summed up this simply:

Happy children loving to learn, achieving their best and helping each other to do so.

All other aims should lead to this!
