Wet Days

Thank you for your response to the earlier request to leave your children at the school doors on wet days. It does help to keep the inside of the building drier and cleaner, and the children are managing themselves very well when they arrive.

Dogs

There continues to be some concern over dogs being brought to and from school when children are being brought or collected. There are some hazards connected with this and we would prefer that dogs were not brought.

Of course, this is a matter for the owners, but if you must bring your dog, we ask that you observe the following:

- Keep your dog with you and off the school premises
- Ensure that footways are not fouled
- Make sure that other children do not come into contact with the dog
- Keep the dog under close control, but do not tie it to the school fence

Year 3 Violinists

The children in year 3 have all been learning the violin this year, and there will be a concert next Thursday to showcase their achievements along with other children in the borough. The concert is in Ilford Town Hall at 7.00pm and tickets cost £5.

We hope the children enjoy their first opportunity to take part in a big concert!

Absence Procedure

If your child is absent from school, please telephone the school office or leave a message on the answerphone clearly stating your child's name and class. When they return to school please make sure you send in a letter confirming the dates they were absent and the reason.
