## Football team

Congratulations again to the school football team on reaching the semi-final of the "King Cup" competition. This is the competition for all Redbridge Primary Schools and reaching the last four was a real achievement. Unfortunately, we lost to St Anthony's so do not proceed to the final this year, but well done to all the players!

## Healthy Schools Week!

This is a whole school activity.

The children will be participating in activities during the day in their classes.

Also planned is an after school event on Thursday 21<sup>st</sup> May 2009 from 3.30-4.30.

At this fun packed event there will be various things happening like healthy food tasting, a cookery demonstration from the Head of Food Technology at Oak's Park School. We are trying to organise various activities/displays. We have also organised outside agencies to participate in this event (for example, FiND and 'Food in Schools' Team).

You may remember last year that this was a very popular event and the tickets sold in a very short period of time. Tickets will be on sale at the cost of £1 from Monday. We hope to see as many people as possible at this event!!

## Fruit Fridays

Some of you may have seen me in the playground selling fruit! This has proved very successful with the children. Due to popular demand, I hope to continue this every Friday morning and after school. In this way we can have a healthy start to their day!

## Uncollected Children

If you are going to be late collecting your child/children, you must inform the school before 3.30pm and let us know what arrangements have been made and time of collection.

You must ensure we have up to date contact numbers so we can maintain contact during the collection process.

If your child has not been collected and the school has not been able to make contact with you or the emergency number, the school will put **Redbridge Children's Trust uncollected children procedures** in place.

It is essential that you keep the school up to date with all your contact numbers.

Recently there have been a number of incidents when the school has not been able to make contact with families. This causes great distress to children and the school staff.

# QUIZ NIGHT

- A big thank you to all who helped, attended and donated and bought auction items.
- Contact details for auction of promises will be out to every one who bought next week
