## Redbridge Pupil Places

Owing to a very high number of applications for school places in Redbridge for next year, the borough need to open a number of extra classes in schools. This is to ensure that all of the Reception aged children have a school place from the start of the school year. This school is under consideration in this respect and, although we are awaiting a firm proposal, the Governors have made representation to the Director of Children's Services covering their concerns at the suggestion. The "contingency" plan is for one year only. However, parents will be kept informed of any firm plans affecting Aldersbrook.

## Cine Club

The children from our "Cine Club" have enjoyed making a film entitled "The Empty School", which had its "premier" viewing at the British Film Institute National Film Theatre yesterday. All of our young film makers enjoyed an afternoon on the South Bank, exploring the theatre and watching their film along with those from other schools. The team from the BFI said our film was one of the best ever produced through this programme! All of the children received certificates and a DVD of the film. Well done to all of you, and thanks to Mr Bana and Mrs Denis for running the club!

## School Allotment

We now have our own school allotment and teams of staff and children have been busy clearing it and preparing the ground for planting. We will put some pictures onto the school website so you can see how the children are learning to grow their own food.

## Golden Book Awards

Awards went to: Fiza Kayani and Thomas Pearson of 3B; Mikaela Poga and Joshua Noah of 3W; Hamza Behram and Kewel Rahman of 2T; Shailesh Danthi and Jacob Wilson of 2P; Zidane Saulter and Denise Cabral of 2M; Qarisha Miah and Asha Parmer of 1N; Navleen Sangha and Sarah Al-Mariri of 1R; Katriel Okonkwo and Harry Markakis of 1S.

Well done everyone!

## High Five Netball Festival

Our school has been nominated to represent the School Sports Partnership in the London Boroughs on 2<sup>nd</sup> June. Good luck to the team.

## Song of the Week

Vegetables and fruit are good for you  
And they make you healthy too.  
We like to eat them, they taste yummy,  
Yummy, yummy, yummy, in my tummy!

*Cucumber, carrots, cauliflower, peas,  
Broccoli and green beans, mmm, yes please!  
Apples, peaches, pears and plums,  
Strawberries, bananas, mmm, yum, yum!*

Vegetables and fruit make healthy snacks,  
So put those crisps and chocolates back!  
Make sure you eat them, five a day,  
So you keep the doctor away.

*Cucumber, carrots, cauliflower, peas ...*

## Joseph Concert

Please note that we have changed the date for the production of "Joseph" by the children in years 4-6, owing to the Year 6 induction day at Wanstead High School on the same day. The new date for the production is Wednesday 8<sup>th</sup> July, at 2.15 and 6.00pm.

We have launched a "Design a Joseph Logo" competition, with a view to printing coloured T shirts. The design will need to be in black and white, and to fit on a child's T shirt. All children may enter, closing date for designs - Wednesday 3<sup>rd</sup> June.

*Invitation from the High School:*

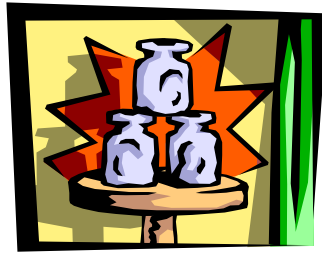

**On Saturday 6<sup>th</sup> June from 11am-1pm:** Please join us in our **Wildlife Garden at Wanstead High School** to make bird feeders and homes for bees to take home with you, paint pebbles to create colourful signs for the plants, and find out how you can 'Do One Thing' for nature in your own garden.
