Sporting Super Schools

We really enjoyed meeting Rob Tobin last Tuesday and the children put great effort into their sporting exercises. Thank you for all of the generous sponsorship already received. We will let you know the total when the money has all been collected in. Please send it in to the school office.

School Link

Miss Mohammed and Mr Wright will be visiting our partner school in Uganda over half-term and the week after. They will be taking work the children have prepared, including messages and greetings, and will be discussing the development of the link along the theme of the Olympics, as we all begin to look forward to London 2012.

We wish them a safe and successful trip!

Half-term

Please remember that next week is half-term and the children return to school on Monday 2nd November.

Headteacher Recruitment

We are now in the process of recruiting a new Headteacher to replace Mr Wright when his phased retirement begins. A Selection Panel of Governors has met with the Local Authority and an advert will be going into the Times Education Supplement next week.

The selection and interview process will be in late November and interviews will be held in early December. We will keep you informed about the outcome of this, but please rest assured that we are very keen to recruit a Headteacher who will continue the excellent work and progress made by Mr Wright. We have listened very carefully to comments made by teachers, parents and children alike and will keep this in mind during the appointment process.

If you have any queries or comments, please get in touch via the school office.

Meet Our Governors
Parent Governor

Michelle Wheeler

I was elected a parent governor last November and have joined the premises sub-committee. I am also the link governor in PE and ICT.

I have three children attending Aldersbrook School and they all enjoy being there and their enjoyment was the main reason I put myself forward to become a parent governor. I want to continue and help in the development of the School.

I work two mornings a week at Wanstead Park Playgroup which is a main feeder for children joining Aldersbrook School. Since joining the playgroup 4 years ago, I have completed my level 3 in Childcare.

Before having my children, I worked as a legal secretary for a City law firm. When I get the time, I enjoy socialising, football (especially watching my two sons and West Ham!) and ferrying the three children around for their various out of school activities.
